

## **INVESTMENT RESULTS FOR JOHN HANCOCK VARIABLE INSURANCE TRUST (SERIES 0 FUNDS)**

*After Deduction of Investment Management Fees and Expenses Only*

**The performance data presented represents past performance. Past performance is not a guarantee of future results and current performance may be lower or higher than the performance quoted. Investment returns and principal value of an investment will fluctuate so that an investors shares, when redeemed may be worth more or less than the original cost.**

**The performance shown reflects all underlying fund fees and expenses. However, any premium charges, cost of insurance charges, surrender charges and other policy charges are not reflected; and, if they had been reflected, the performance shown would be reduced. We encourage you to obtain a personalized illustration that will reflect all applicable fees and charges, including the cost of insurance.**

[10]

On April 29, 2005 each of the following John Hancock Variable Insurance Trust funds: Small Cap Growth, International Equity Index B, International Value (formerly Overseas Equity), Small Cap Value (receiving fund for Special Value merger), Mid Value (receiving fund for Mid Cap Value merger), Fundamental Value (formerly Growth & Income and receiving fund for Core Equity merger), Lifestyle Balanced (receiving fund for Managed merger), Total Bond Market B (formerly Bond Index B), Active Bond, and Short Term Government Income (receiving fund for Short Term Bond merger) were reorganized from its predecessor John Hancock Variable Series Trust I. Historical Performance for these funds' 10 year periods is that of its predecessor funds which predate these funds inclusion in the John Hancock Variable Insurance Trust. All performance prior to inclusion in the Trust is hypothetical.
